

**PLEDGE RENEWAL 2019**

Giving to the Parish is a very personal act and every gift is greatly appreciated and valued. Pledging, or Planned Giving, helps the Parish to plan for the future but it is understood that not everyone is in a position to make this commitment. Those who choose this option do so through the use of envelopes or by direct debit. The amount you pledge is **confidential** and details are only available to the Parish Recorder (Ruth Devine). You can notify her at any time if you change your Pledge amount.

If you would like to **start or continue** planned giving, please complete this form to enable the Parish record to be kept up to date.

Due to the cost of printing Pledge envelopes, from now onwards we will only acquire envelopes for those parishioners who indicate that they wish to continue using this form of giving. **Please let us know as soon as possible if you would like to use envelopes in 2019 so that we can have your new envelopes available for the start of 2019.**
