## **How Long Could It Flirt?**

How long can the moth flirt  
near the mouth of the flame before their lips touch  
and the moth's soul  
becomes like  
a sun?

And does the moth then die? No.  
In serving God one is transformed into Him.

What lovers would return to us,  
what lovers would not unite beyond belief and annihilate  
their separation forever if they  
had the power  
to do so?

That power our Lord has. How long do you think  
you can just flirt with Him before  
you dissolve in ecstasy?

Existence spins on His potter's wheel;  
all is shaped into the Divine.

What lovers would  
not want to die  
embraced?

Meister Eckhart 1260-1328
