HOT UPDATE! Angela Hazelbroek from St Theodore's will be leading the studies below following our Wednesday Eucharists in Lent.

LENTEN STUDIES 2025

Exploring Symbols of Hope

Our Lenten Studies for 2025 are 'home grown' . . . they have been written by Peter Burke, assisted by Rev'd Matthew Anstey and Angela Hazebroek.

The overall theme - 'Exploring Symbols of Hope' - is intended to enable reflection and conversation on where we find hope in our daily lives. The symbols of hope which will be explored include the Rainbow (Lent 1); the Anchor (Lent 2); the Butterfly (Lent 3); the Cross and Empty Tomb (Lent 4); and Light (Lent 5). The basis of each study will be an essay designed to enable exploration and discussion of each theme, and some questions for personal reflection and group conversation.

The exact details of the studies are yet to be confirmed, but it is planned to have three different study opportunities for parishioners of St Theodore's, and our neighbouring parish of All Souls', St Peters. This is likely to include the usual Sunday studies from 11.30 am to 12.45pm; Wednesday evening Zoom studies from 7.30pm to 8.45 pm; and daytime studies during the week, with the day and time yet to be arranged. Please refer to Pew Sheets for further Information

LOVE IS FIRE: LOVE IS WINE

Falling in love is a bonfire, fireworks and Champagne
skyrockets and corks in flight
crazy, zany times – heady days

Staying in love – now that’s a challenge
when the bonfire’s not so bright – bring on the heat
with some serious wood and a big Coonawarra to match

But remember, not only wine has a seven-year itch
Keep chopping the wood, keep fanning the flame
Discover a new blend in your day

Years go by, children and grandchildren arrive
You’ve taken the time to stock woodshed and cellar
Now savour the rewards, nose the goodness of life

And then, just one big log on the fire
The chimney’s drawing sweetly
So is the Stilton and Tokay

David Thornton-Wakeford
